Heavenly Touch Receives 2013 Best of Akron Award

Akron Award Program Honors the Achievement

AKRON June 21, 2013 -- Heavenly Touch has been selected for the 2013 Best of Akron Award in the Home Health Care Services category by the Akron Award Program.

Each year, the Akron Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Akron area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2013 Akron Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Akron Award Program and data provided by third parties.
